The list below shows the rosters available for download.

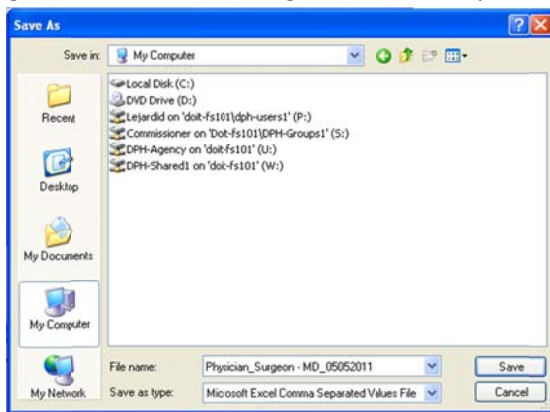

Format	Roster Name	Results	Status
<input checked="" type="radio"/> Excel (comma)	Physician/Surgeon - MD	16696 records found	Ready for Download
<input type="radio"/> Text (tab)			

Copyright © 1997-2008 CAVU Corporation All Rights Reserved. version 1.2.0.3444

6. A window will open asking you if you want to open or save the file. Select “Save.”

7. Create a name for the file. It is recommended you use the license type and the date the list was generated when naming the file for easy reference.

\*Please note that the information used to generate the rosters is based on the address supplied by the practitioner as their mailing address and may not necessarily indicate the city or town in which they practice.
